DRIVEWAY - BALLYCLARE SECONDARY SCHOOL

Thank you to all parents for using our side gate at the Secondary School driveway for pedestrians only. We are not permitted to drive down the driveway and stop/park to drop off children. Secondary School pupils also use this driveway for walking. Cars will be stopped to ensure safety of all pupils.

PARENT MEETINGS

Thank you to the many parents who attended our Parent Meetings on Monday and Tuesday evenings this past week. It was so good to see you all. We appreciate an evening spent at school is not everyone's idea of a good night out! But your support of staff and your children's education is appreciated. Please use the information provided to assist your child this year. Especially the phonics, reading and spelling changes.

"Its all about the children. Always."

GOLDEN RULES

In assembly this week we went over our school rules, our school's standards and people who help us. We appreciate our rules and standards are successful due to parental support. This keeps everyone secure and also keeps things fair for all. Thank you for choosing Ballyclare Primary School for your child. We enjoy having them here with your support.

"We are committed to our warm and happy environment."

THANK YOU!

Thankyou to all parents who used the side gates last Friday to help our local church and a bereaved family. This was much appreciated.

- * Please remember to keep our front entrance clear for pupils to find their collecting adult. Normal collection times and gates resume this Friday again.

"Everything is better when we work together".
